LOCAL NODES MEETING REPORT

After each meeting of your local node, fill the following table and send the file to alessio.lupi@svemarche.eu

Host Partner	Region of Tuscany (at Minucciano)
Date of meeting	25/07/2024
Meeting N°	First Meeting in Minucciano towards the establishment of the Local node
Total Number of participants	8
Any comments or information about participants	
The participants belong to the public sector: Municipalities, Region of Tuscany, University	
MAIN TOPICS DISCUSSED - Please List them briefly	
We discussed the steps for implementing the pilot activity related to the New European Bauhaus and the participatory approach to be applied in the inner area of Minucciano, particularly in Gramolazzo, in several moment of the project.	
MAIN ACTION POINTS - Please List them briefly	

- To sign an agreement between the Region of Tuscany and the University of Florence (Department of Architecture) to engage students in designing a New European Bauhaus solution for implementation in Gramolazzo.

- The Mayor of Minucciano provided an overview of the region's resources, emphasizing the activities of the main businesses operating in the area. In exchange for the concessions granted by the municipality, these companies are committed to investing a portion of their resources locally. Their contributions will be instrumental in ensuring the successful realization of the project."
