

Project Title

Tagline

Problem Statement

Key City Issue: What specific city problem are you addressing (e.g., traffic congestion, pollution, housing, public safety)?

Project Overview

Provide a summary of your project

Turbulences

- Barriers: What recurring risks did your solution face (e.g., regulatory issues, public resistance, technical challenges)?
- Mitigation Strategies: How did you overcome these challenges?

Bold Vision

What was the bold vision of your initiative?

Key Actors/ users

Who will benefit? How will they use it

My What If Statement

What is as a <user/actor>

I could <specific action>

With <tool/ content/ meth>

So that <outcome/ benefit>

Key Learnings

- What were the most important things we learned about working with the community?
- What surprised us—positively or negatively—during the process?
- How did our assumptions change as the project evolved?

NEB Values

Beauty

Which ambition best describes your project?

AMBITION I: to activate

AMBITION II: to connect

AMBITION III: to integrate

How does your project approach this ambition?

Context re-activation • Sensory experience • Aesthetics

Sustainable

Which ambition best describes your project?

AMBITION I: to repurpose

AMBITION II: to close the loop

AMBITION III: to regenerate

How does your project approach this ambition?

Preservation • Repair, re-use, reduce upgrade, renew

Together

Which ambition best describes your project?

AMBITION I: to include

AMBITION II: to consolidate

AMBITION III: to transform

How does your project approach this ambition?

Equality • Accessibility • Prioritising disadvantaged people

NEB Working Principles

Participatory process

Which ambition best describes your project?

AMBITION I: to consult

AMBITION II: to co-develop

AMBITION III: to self-govern

How does your project approach this ambition?

Information • Dialogue • Consultation

Multi-level engagement

Which ambition best describes your project?

AMBITION I: to work locally

AMBITION II: to work across levels

AMBITION III: to work globally

How does your project approach this ambition?

Inter-municipal cooperation • Network, coalitions • Informal cooperation

Transdisciplinary approach

Which ambition best describes your project?

AMBITION I: to be multidisciplinary

AMBITION II: to be interdisciplinary

AMBITION III: to be beyond-disciplinary

How does your project approach this ambition?

Diversity of disciplines • Diverse educational backgrounds • Common problem definition

Common Themes

Which shared opportunities or synergies became visible across different activities?
What patterns can inform how future municipal projects are designed in the region?

Contributions to a Future Toolbox

What specific tools, practices, or templates from this project could be useful to others?
Which conditions, methods or tools proved most effective for inclusion, participation, and co-creation?
